

Eastside
Make the right impression

Eastside

Steelcase

Welcome your guests with Eastside chair, a visitor chair offering **high performance versatility** and good looks – and that feels **comfortable in any situation**. Stackable with no sharp edges and featuring castors, Eastside chair is **easy to reconfigure** – ideal for conferencing, impromptu meeting and teaming tasks.

Elegance

Eastside chair fits effortlessly into any office environment. Its clean, neutral design matches any task chairs.

Comfort over mid to long periods

The open shape features a deep seat and high backrest, and is reliably strong and padded with ergonomic foam.

Smart for the environment

Eastside is made of few components assembled with no screws, with a reduced number of low energy materials (steel, PP, foam and fabric).

Eastside is available in **any seating finish**. Configure Eastside to the task: with **amrests, castors or writing table**.

All versions stack: in vertical (6), compatible with dolly (6) and trolley (8).

Height: 850 mm, width: w/o arms 550 mm, with arms 595 mm, with arms and writing tablet 635 mm, depth: 580 mm (overall).
