Why we call it Universal Pedestal

A1781

Add the cushion and your pedestal even becomes an informal meeting area!

Universal Pedestal

is a flexible storage system for your personal effects. It is compatible with all Steelcase desk ranges, making it easier to adapt to changing needs.

DOUE

Choose the structure that suits you best

Mobile:
provides medium or small filing capacity in a solution you can move wherever you want to.

A1785

Juxtaposed:
offers you very large filing capacity and an extension to your work surface.

A1786

Mobile with interface:
an aesthetic and economic solution that replaces a leg and saves floor space. The castors enable you to turn it as desired.

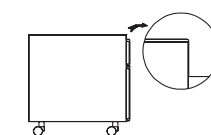

A1787

Under work surface:
this option gives you large filing capacity while saving floor space.

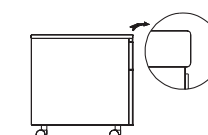

A1788

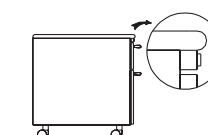

The system is designed to adapt to all kinds of space, storage capacity and mobility requirements. Its 4 basic structures allow for a wide variety of possible combinations. **Front & top options:** create a combination of front and top options that fits your needs and matches your Steelcase desk range.

Universal Pedestal is designed to support people's individual work styles, ergonomic requirements and personal preferences. Its internal fittings provide practical storage solutions for work tools, stationery and files, making them easy to find and leaving the desk free of clutter. Its close proximity to the user also ensures that these objects are always at hand and when they are needed.

A1799

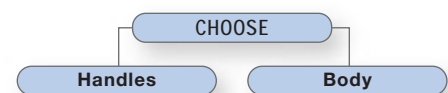

Personal effects are safely stored with the central locking system (with interchangeable barrel).

Create a more personal workspace...

A1800

Universal Pedestal provides a whole set of design components to create specific atmospheres.

Select from a diverse range of handle designs and colours.

Fresh colours foster a comfortable, home-like environment.

...with quality and safety guaranteed

Silent drawers using ball bearing runners.

Shrouded drawer runners protect users from injury.

Anti-tip system prevents both drawers from being opened simultaneously.

Rear counter-weight is standard on all juxtaposed and mobile pedestals to prevent tipping.

Colours available on request. For all others RAL colours, please contact our Special Dpt.

5th castor provides extra stability and safety when the file drawer is opened.
