Modern elegance comes to the fore with the **Werndl #1 Conference**. This prestigious new addition to our Werndl #1 family combines **quality and comfort** in one of the smartest designs of our times. If you're looking for a chair that feels great to sit in and looks great in a premium business environment, this is it. The Werndl #1 Conference fulfills both of these criteria, with its spacious seat, its supportive Net back, its aesthetic styling, quality finish and **classic yet contemporary** silhouette. These features make it perfect for high-level conferencing and meeting rooms, or for executive offices where it serves equally well as a visitor chair. Places, in other words, that are **highly representative** and that call for an uncompromising look and feel. It is also completely compatible with other Steelcase seating, desking and conferencing products. **The new Werndl #1 Conference – business is beautiful.**
